It's Raining! It's Pouring!

(finger play)

"It's raining! It's pouring!"
(pat knees to make rain sound)

But Jesus was snoring.
(head to side, close eyes)

When He awoke

To the waves He spoke
(make a large wave-like motion with hands)

And gave them this great warning:
"Peace, be still."
(hold hand, palm out, like you're saying "stop")

The story of Jesus calming the storm can be found in Mark 4:35-41.
