Prep Work:
Print off letters and ET rimes onto cardstock, cut out, and insert each set into 1 education cube (2 total). If you do not have education cubes, you can purchase them from www.educationcubes.com or make your own with dice with a cardboard box (such as a Priority Mail box).

How to Play:

•Roll both education cubes.
•The child puts them together (j-et) to make and read -ET words
•The child then uses the Roll and Stamp Graph to graph the results from each roll.
•Discuss your results afterwards by asking questions such as, "Which word did you roll the most?" or "Which word did you roll the least?"
