Roll-a-Rhyme

Prep Work:
Print off pictures onto cardstock, cut out, and insert into education cubes. If you do not have education cubes, you can purchase them from www.educationcubes.com or make your own with dice with a cardboard box (such as a Priority Mail box).

How to Play:
Players take turns rolling the two dice. Players say the name of the objects on the dice (picture key on last page of download) and tell if they rhyme or not. If you'd like, you could keep score with each correct answer given, but this is not necessary.

Pictures included come from the Cut and Paste a Rhyme activities from Lessons 8-13 of Reading the Alphabet.
