IG Word Puzzles

Print pictures off onto cardstock and laminate for durability. Cut out on the dotted lines to create a 3-piece puzzle for each word.

Create three workspaces for the puzzle pieces. (We used the floor for this activity.)

1. Initial letters 2. Middle letters 3. Final letters

*Help your child locate the initial, middle, and final letters that create an –ig word. The pictures will match up to provide extra support.
*Once each puzzle is complete, help your child read the word like this: /p/-/i/-/g/ (with a space in between each letter sound), then blend the sounds quicker: *pig*
