Directions for Pocket Chart Oo Book

•Cut apart words on the dotted lines and use in a pocket chart. If you do not have a pocket chart, a table top or floor space will work, too.
•Use the text from the Letter Oo Book to help your child re-create it on the pocket chart.

Suggestion: Print onto cardstock and laminate for durability.

•Read the text aloud and ask the child to add pictures to each line of text (use the black & white or colored Oo picture cards).
•Read the text out loud again, pointing to each word (you can use your finger or a special pointer).
•Ask the child to give it a try, too and praise him for his efforts.
