## Lesson 6: Review

Cut out all the letters on pg. 2 of download. (There are supposed to be double of *s* and *t*.)

Use the letters to spell 2-letter words, 3-letter words, 4-letter words, and BIG words (more than 4 letters). The child can even write the words he makes on pg. 3 of the download.

If the child gets "stuck", use the words from previous Little Words activities (pp. 4-8 of download) to help give suggestions.
