

Box Print Awareness

Directions:

- Using a combination of different kinds of recycled boxes {cereal, mailing, cracker, etc}, create something. Can you and your child make a plane, a boat, or cut apart the pieces and make a mosaic? Just have fun being creative together!
- Cut out and mix up this sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order.
- Build the sentence. You can even glue the sentence down and display it proudly beside your creation.
- Read the sentence out loud, pointing to each word as you read it.
- Ask the child to try it, too!
