

Roll-a-Syllable (Summer PreK Pack)

Prep Work:

Print off picture inserts onto cardstock, cut out, and insert into education cubes. If you do not have education cubes, you can purchase them from www.educationcubes.com or make your own dice with a cardboard box (such as a Priority Mail box).

How to Play:

EASY VERSION - Insert 6 pictures into one die: 2 one-syllable pictures, 2 two-syllable pictures, and 2 three-syllable pictures. Players take turns rolling one die, saying the object's name (such as "ham-mock"), and telling how many syllables or big parts each word has.

HARDER VERSION - Insert 6 pictures into two dice: for example 2 one-syllable pictures, 2 two-syllable pictures, and 2 three-syllable pictures in each die. Players take turns rolling the two dice, saying the name of the objects on each die like this "ham-mock"; then telling if they have the same number of syllables (big parts) or not.
