

Christmas Cut & Pattern Practice

*I recommend printing these onto cardstock to make it easier for the child to cut.

*To prepare for the child, cut along the darker, horizontal lines first to create 4 separate strips. (like the strip below)

*Give the strips to the child and ask her to cut along each dotted line to make six separate picture cards for each row.

*This can be used as a stand-alone cutting activity OR the little cards can then be used to make patterns together with your child
