

MY ABC'S OF THANKSGIVING

DIRECTIONS

- Print off the cover page (pg. 2 of download) and back page (pg. 3 of download) onto cardstock.
- Print off all the other pages onto regular copy paper.
- Beginning on November 1st, help the child/student to think of something that starts with that particular letter for which he is thankful.
- Continue each day, doing one letter at a time, until all 26 letters are complete.
- Assemble the Thanksgiving book.

PRESCHOOL VERSION

- Use pages 5-30 of the download. The child uses the space available to draw a picture of something that starts with that particular letter.
- The teacher or mama could add a label to the picture. Be sure to get permission from the child.
- A blank template is also available for this version (p. 4)

ELEMENTARY VERSION

- Use pages 32-57 of the download. The child uses the space at the top to draw a picture of something that starts with that particular letter.
- Then, he writes a sentence about his picture such as, "I am thankful for **a**pples because they are my favorite fruit."
- A blank template is also available for this version (p. 31)

For classroom or personal use only.
