

Gumball Print Awareness

Directions:

- Print off the gumball template (next page). Count out a predetermined number of pom-poms (numbering 1-20); these will be the gumballs.
- Ask the child to glue the pom-poms to the gumball machine.
- Count the number of "gumballs" together, write that number in the blank space below.
- Cut out and mix up the sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order and let him help you put them back in the right order.
- Glue them down on the paper under the child's picture.
- Read the sentence out loud, pointing to each word as you read it.
- Ask the child to try it, too!
