

Down on the Farm:

A Short Vowel Sort

*Use the farm animals (cat, hen, pig, dog, and duck) as your head words.

*Sort the other words under these animals by their short vowel patterns. For example, all short **a** words go under the **cat**, all short **e** words go under the **hen**, etc.

*The blank cards can be thrown away.

Your sort should look something like this when you're finished:

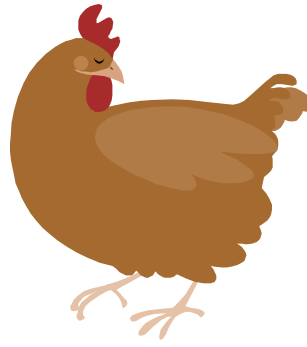

CAT	HEN	PIG	DOG	DUCK
hat	men	bit	not	bug
tag	peg	hit	dot	fun
sad	pet	sit	hot	rug
had	red	did	hog	tug
bag	met	rip	got	cut

Print onto cardstock and laminate for durability.
