

Cluck!

Materials:

- *Brown paper bag/sack or other kind of container (it is important that you not be able to see through it).
- *Word cards-print onto cardstock and laminate for durability

To Play: (for 2-4 players)

- *Shuffle all the word cards (including 5 Cluck! cards) and place them in the bag.
- *One at a time, players reach into the bag (without looking) and pull out one card.
- *If it is a word card, the player reads the card and keeps it.
- *But be careful you don't get a Cluck! card. If the card is an Cluck! card, the player must return all of his word cards into the bag. (Cluck! cards are not put back into the bag).
- *The player who has the most word cards when all the cards have been pulled out of the bag is declared the winner.
