

# Memory Match with Sight Words from Lessons 1-4

Print off cards onto heavy paper. Cut out and shuffle.

Lay all cards out facedown on work area.

Players take turns flipping over two cards at a time, reading the two words on the cards.

If the cards/words don't match, they are returned to their place and the next player takes his turn.

If the cards/words DO match, the player keeps the cards.

Play until all the cards are matched, then play again!
