

Yarn Print Awareness

Directions:

- On a piece of sturdy paper, ask the child to draw the outline (or you can) of one thing made from yarn {brainstorm ideas together first}.
- Cut yarn into small pieces and glue them inside the outline until it is filled in.
- Cut out and mix up this sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order.
- Build the sentence. You can even glue the sentence down and display it proudly with the child's picture.
- Read the sentence out loud, pointing to each word as you read it.
- Ask the child to try it, too!
