

# UG Word Puzzles

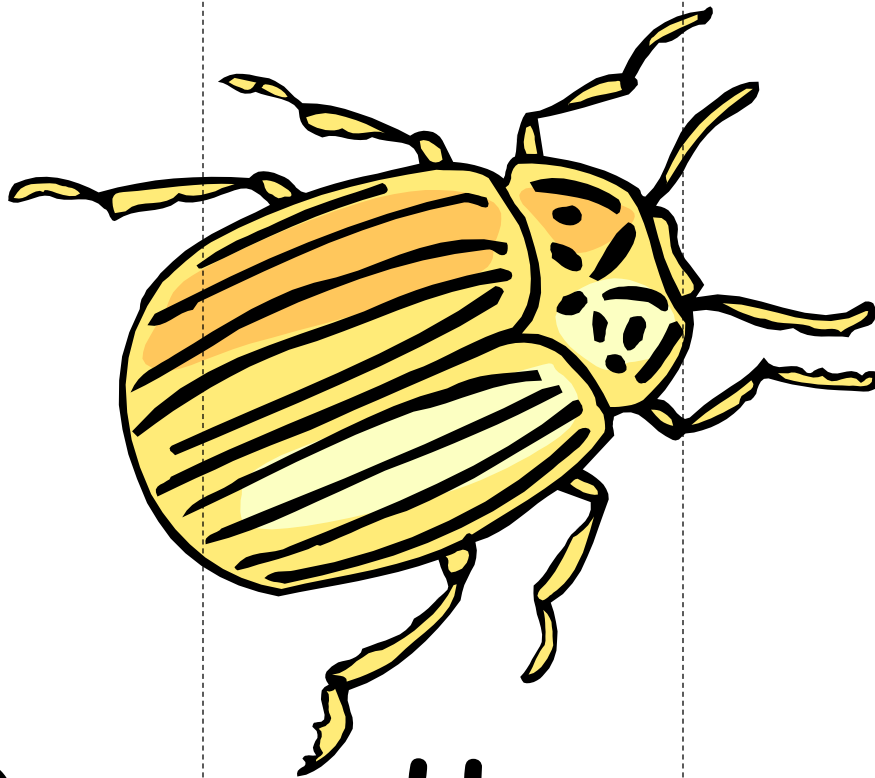

Print pictures off onto cardstock and laminate for durability. Cut out on the dotted lines to create a 3-piece puzzle for each word.

Create three workspaces for the puzzle pieces. (We used the floor for this activity.)

1. Initial letters      2. Middle letters      3. Final letters

\*Help your child locate the initial, middle, and final letters that create an -ug word. The pictures will match up to provide extra support.

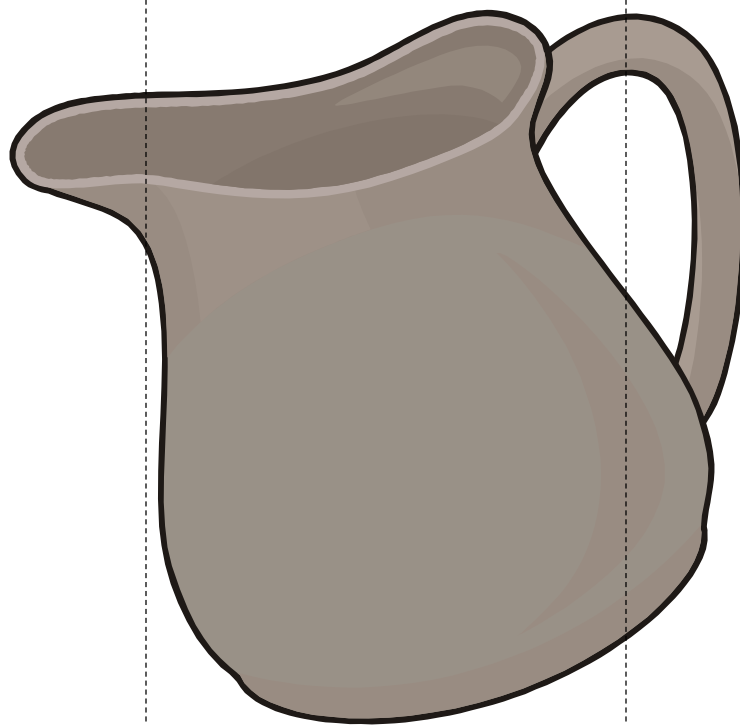

\*Once each puzzle is complete, help your child read the word like this: /b/ -/u/ -/g/ (with a space in between each letter sound), then blend the sounds quicker: bug.
