

Summer Reading Calendars

*Fill in the missing dates on the calendars {blank so you can use for more than one summer}.

*You can use the calendars several ways:

1. Cross off the days with an X when the child has read that day.
2. Decide how many days a week you want your child to read, cross days off as he reads.
3. Decide how many minutes you want your child to read each day, cross day off when he does.
4. Either reward your child with something special or let reading itself be the reward. 😊
