

Rewards for Earned Screen Time

(blank cards also provided)

- Give one "5 minutes earned" when you notice your child doing what you've asked or when he has a good attitude about chores or schoolwork.
- We use these for our homeschool time and 30 minutes of screen time can be earned for hard work and good attitudes, but feel free to use it however you see best in your home.
- Blank Rewards are also included on pgs. 5-7, if you'd like to adapt this idea further for your family.
- Please feel free to share by linking to my blog. Thank you!
