

# Star Poke Page

\*Sing *Twinkle, Twinkle Shining Star* together  
(download found on Nativity PreK Pack)

## How To Use:

- \*Print star poke page onto regular copy paper.
- \*Place on top of carpet.
- \*Using a toothpick or push pin, poke holes along the outline of the star.
- \*Place on a window and let the light shine through!

## Variations:

- \*Tape a piece of construction paper under poke page and poke through both pieces. When finished poking holes, remove poke page and place the construction paper star on a window to let the light shine through!
- \*Place in a plastic sleeve protector and trace the star with dry erase markers.
- \*Stick star stickers all along the outline of the star.
