

# Follow That Star!

Help the wisemen get their gifts to baby Jesus.

## To Prepare:

- Print game board onto paper and paste into a file folder or side-by-side onto a piece of (11x14) piece of construction paper.
- Place all syllable cards in a pile, face-down.

## To Play: (for 2 players)

- Both players choose a manipulative of some kind to be their playing piece (ideas include pennies, beans, small pieces of candy). Playing pieces begin on **START**.
- When it is a player's turn, he turns over the top syllable card from the pile, says the word depicted in the picture, and tells how many syllables it has.
- The player then moves his piece that many spaces around the game board.
- The first player to reach the **END** is the winner!

"When they saw the  
star, they were
