

# Star Print Awareness

## Directions:

- On a dark blue or black piece of construction paper, use glue and glitter to make a shiny star.
- Cut out and mix up this sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order and let him help you put them back in the right order.
- Glue them down on the paper under the child's star.
- Read the sentence out loud, pointing to each word as you read it.
- Ask your child to try it, too!

The	star	was	big
and	bright.
