

Gingerbread Man Poke Page

How To Use:

- *Print gingerbread man poke page onto regular copy paper.
- *Place on top of carpet.
- *Using a toothpick or push pin, poke holes along the outline (on black line).
- *Place on a window and let the light shine through!

Variations:

- *Tape a piece of construction paper under poke page and poke through both pieces. When finished poking holes, remove poke page and place the construction paper gingerbread man on a window to let the light shine through!
- *Place in a plastic sleeve protector and trace the gingerbread man with dry erase markers.
- *Stick Christmas stickers all along the outline of the gingerbread man.
