

Christmas Word Bump

To Prepare:

- Decide which game board would work best for your players. (pg. 2 of download is for 1 die (numbers 1-6), pg. 3 is for 2 dice (addition 2-12) and pg. 4 is for 3 dice (addition 3-18).
- Print off one game board for two players to share.
- Laminate the game board or place in a plastic sleeve protector.
- Each player selects a different colored dry erase marker and shares a dry erase marker.
- Each player also needs a list of words (it can be a different list for each child). Word list templates are provided on pg. 5 of download.

To Play:

- Players take turns rolling the dice (die).
- Players either look at the number on the die (for game board 1) or add the numbers on the dice (for game boards 2 and 3).
- Players then write a word from their spelling list on the game board corresponding with the number they rolled.
- If the other player already has a word written on the number rolled, you can “bump” their word by erasing it and writing your word in that space instead.
- If a player rolls a number that already has his word in that numbered space, the players turn is over and the other player takes his turn.
- When all the spaces have words written in, the player with the most words on the game board wins!
