indoor & outdoor visual CHORE CARDS

In our home, chores are something you do because you belong. Because we're all a part of the team, we all pull our weight.

These visual chore cards can be cut out, hole-punched at the top corner, and clipped together with a metal ring. You can switch them out and hang them up for each child each day. You can also slip the cards into a pocket chart for each child.

Cards have been included for indoor and outdoor chores for kids of all ages! I tried to keep the clip art general so it would appeal to older kids as well.
